Christine Quinn
Director
Workforce Development Agency – State of Michigan
201 North Washington Square
Lansing, MI 48913

Dear Ms. Quinn:

Thank you for the submittal of Michigan's Workforce Investment Act (WIA) and Wagner-Peyser Act (WP) Program Year (PY) 2014 proposed performance goals and for the State's participation in the formal performance negotiations which took place on June 4, 2014.

This letter serves as official notification advising Michigan of the agreed-upon WIA and WP PY 2014 final performance goals. A copy of the negotiated goals is enclosed with this letter.

This official notice also constitutes a modification to the State Integrated Workforce Plan. The State must ensure that the PY 2014 final performance goals are included in the State's official copy of its Integrated Workforce Plan. Any published copy of the Integrated Workforce Plan on the State's website must also include these final goals. ETA will incorporate these final performance goals into the Regional and National Office copies of the State Integrated Workforce Plan.

We look forward to working with you and your staff as Michigan continues to implement its Integrated Workforce Plan. If you have any questions, please contact me or Malcom Jackson, the Michigan Federal Project Officer, at 312-596-5414 or jackson.malcom@dol.gov.

Sincerely,
